Certificate of Authenticity

This document certifies that the following record has been verified as authentic and unchanged since upload.

Document Name:	Certified_Record_v1.0.pdf
Verified Author:	holdallholly-gif <holdallholly@gmail.com>
Digital Fingerprint (SHA-256):	5ed4b35e47aeac17d5a5ade4e755343eca2619c77fc4f28017e8963a1e71ed4c
Verification Platform:	GitHub (Verified Commit)
Commit Link:	https://github.com/holdallholly-gif/adamantine-standard/commits/main
Verification Date:	2025-11-03

This certificate confirms that the file's digital fingerprint matches the official manifest generated by the Adamantine Verification system. Any alteration to the original file would result in a mismatch and invalidate this certificate.

Issued automatically by the Adamantine Verification Framework.
